- 5.4. Holdover
- 5.4.1. Holdover for Non-Compliance. eToro may, at its sole and exclusive discretion, withhold, delay or deny payment of the Fees in any of the following events: (i) eToro has reason to believe that the Partner's activity is not in compliance with any applicable law or regulation; (ii) eToro has reason to believe that the Partner's activity is in breach of this Agreement including any representation or warranty made herein; (iii) the Partner has failed to complete any form as may be required by eToro or has completed misleading or incorrect information in a form provided by Partner to eToro; (iv) the Partner has failed to provide any document as may be demanded by eToro; and/or (v) eToro has been notified by any third party of the alleged infringement of property or rights (e.g. intellectual property rights) by the Partner or by the Partner's activity. Partner hereby irrevocably waives any claim or demand against eToro, its directors, officers, shareholders, employees in respect of such action taken by eToro.
- 5.5. Holdover for Non-Qualified Traffic. eToro may, at its sole and exclusive discretion, withhold, delay or deny payment of the Fees if eToro has a reason to believe that there is a Non-Qualified Traffic generated by the Partner, for up to one hundred and eighty (180) days in order to verify the relevant deposits. In the event that eToro determines the activity constitutes Non-Qualified Traffic, eToro shall recalculate or withhold the Fees accordingly and in its sole discretion. It is hereby further clarified that in any event that eToro determines that the suspected deposits are in fact Non-Qualified Traffic, eToro shall have the right, in addition to any other right or remedy available to it under this Agreement or applicable law, to render the Link assigned to such Partner inoperative, to change the Partner's compensation plan (including retroactively with respect to the Non-Qualified Traffic) and immediately block Partner's access to eToro's Partner Program, with no compensation to Partner. Partner hereby irrevocably waives any claim or demand against eToro, its affiliates, its directors, officers, shareholders, employees in respect of such action taken by eToro. Acceptance of Fees or acceptance of other payment by Partner will be deemed full and final settlement of Partner Fee due for the

calendar month indicated. Hence, if Partner disagrees with the Reports or amount payable, Partner should NOT accept payment for such amount and immediately send eToro a written notice of its dispute. Dispute notices must be received by eToro within fifteen (15) days of the end of each calendar month for which payment is made, or Partner's right to dispute such report or payment will be deemed waived and Partner shall have no claims in such regard.

- 5.6. Inactive Partner. Without derogating from the foregoing, it is agreed that in the event that the Partner shall not provide at least three (3) FTDs, during each period of three (3) months throughout the term of this Agreement, then in such event the Partner shall no longer be entitled to receive the Fees and/or any other payments from eToro. For the avoidance of doubt, it is clarified and agreed that in such circumstances, following the lapse of such 3- month period the Partner shall not be entitled to receive the Fees and/or any other payment hereunder, including any payment with respect to any Customer for which the Partner was entitled to receive Fees prior to such time. In addition to the foregoing, eToro may, under its sole discretion, upon the lapse of such 3-month period, either terminate under Section 6 below or change the compensation plan of the Partner. In such event, effective as of the date of eToro's notification to the Partner regarding the change of the compensation plan, the Partner shall be compensated under the new compensation plan and it shall not be entitled to receive any payment under the previous compensation plan.
- 5.7. In the event that: (a) any Click has not become a Lead within a period of 60 days from the effective date of the Click; or (b) any Lead has not become an FTD within a specified period to be determined by eToro in its sole discretion, eToro reserves the right to either: (i) deduct from any Fees payable to the Partner the reasonable re-acquisition cost incurred by eToro as shall be determined by eToro; or (ii) remove such Lead from the Partner's Leads list, in which case no further payment shall be made to the Partner with respect to such Lead.
- 5.8. The calculation of the Fees shall be made on a monthly basis.
- 5.9. The measurements and calculations of the Fees (as such calculations may be amended and/or updated by eToro from time to time) are conclusive and the Partner shall not have the right to appeal and/or disagree with respect thereto. In order to ensure accurate tracking and calculation of the Fees, the Partner must ensure that the Link is properly formatted.
- 5.10. It is agreed that the Partner may not receive any payment from eToro and/or withdraw payments from its accounts with eToro in the event that the Partner has not completed the verification requirements of eToro, including the provision of the identification information and/or documents required by eToro, as amended and/or updated from time to time. It is further agreed that no payment hereunder shall be made to any entity other than the Partner and/or to any account and/or payment method not registered in the name of the Partner and/or to any account and/or payment method the details of which are not identical to those provided to eToro by the Partner.
- 5.11. The Fees shall be deposited into the Trading Account that the Partner has opened with the

Trading Platform (the "**Partner Trading Account**"), which Partner Trading Account is subject to the standard terms and conditions applicable to the trading accounts opened with the Trading Platform. Thereafter, the Fees shall either (i) remain in the Partner Trading Account until withdrawn by the Partner; or (ii) be automatically transferred to the account and/or payment method that the Partner has designated during the registration to the Partner Program, which account and/or payment method must be registered in the name of the Partner (such account and/or payment method shall be referred to herein as the "**Partner External Account**"). Should the Partner choose the second option (automatic transfer of the Fees), the outstanding balance in the Partner Trading Account shall be transferred to the Partner External Account, on the dates specified below. Notwithstanding, no payment shall be transferred and/or withdrawn (either automatically or otherwise) from the Partner Trading Account to the Partner External Account and/or any other account, in the event that the Partner has not complied with the verification requirements of eToro.

- 5.12. Generally eToro shall deposit the Fees into the Partner Trading Account within 15 (fifteen) days from the end of the month with respect of which the Fees are payable, unless such day is not a business day in Cyprus and/or British Virgin Islands (and in such event the Fees shall be payable on the next business day). In the event that the Partner has chosen that the outstanding balance in the Partner Trading Account shall be automatically transferred to the Partner External Account, such automatic transfer shall be generally made within up to 7 (seven) business days from the date in which the money has been transferred to the Partner Trading Account (provided that the Partner is in compliance with the verification requirements of eToro at the time of payment). In the event that the Partner did not choose the automatic transfer option, the outstanding balance in the Partner Trading Account shall be available for withdrawal within not later than 7 (seven) business days from the date in which the money has been transferred to the Partner Trading Account (provided that the Partner is in compliance with the verification requirements of eToro at the time of payment). Notwithstanding, in the event that the Fees in any calendar month shall be less than US\$100, or US\$500 if the Fees are payable by wire transfer, then such Fees shall not be payable on such dates and shall be carried forward to the next month in which the aggregate Fees not paid yet shall reach such threshold.
- 5.13. eToro reserves the right to modify the Fees' structure and/or the payment terms thereof, including, without derogation to the generality of the foregoing, changing the Fees from and/or to Cost Per Acquisition, or Cost Per Click, at any time, upon written notice to be sent to the Partner via e-mail and/or posted on eToro's Websites including in the Partner's Account. It is agreed that any access of the Partner to eToro's Websites following such modification and/or receipt of payment calculated pursuant to such modified terms (the earlier to occur of the two) shall constitute the Partner's agreement, acceptance and consent for such modification. It is further agreed that eToro may, under its sole discretion, retroactively change the compensation plan of the Partner, in the event that eToro has a reasonable suspect of a manipulation of eToro and/or the Trading Platform and/or of any abuse of eToro's Partner Program and/or of the Partner's compensation plan and/or from any other reasonable grounds under eToro's sole and absolute discretion. In

such event, effective as of the date specified in eToro's notification to the Partner regarding the change of the compensation plan, the Partner shall be compensated under the new compensation plan and it shall not be entitled to receive any payment under the previous compensation plan (and in the event that any payments have already been made under the previous compensation plan, the Partner shall immediately return eToro any such payment and eToro shall also be permitted to deduct such payments from any future payments due to the Partner, which may cause an Partner's balance to be negative).

5.14. Each Party shall be responsible for payment of its respective taxes due under any applicable law. eToro shall make deductions from any payment made to the Partner under this Agreement as may be and to the extent required under any applicable law, unless the Partner provides eToro with appropriate tax exemption documents.

6. Term and Termination

6.1. This Agreement shall be in effect for undefined period of time commencing on the date in which the Partner executed the Registration Form (the "**Term**").

6.2. This Agreement may be terminated with immediate effect by either party, with or without cause, by providing the other party with termination notice. For the avoidance of doubt, and without derogating from the generality of the foregoing, it is clarified that eToro shall be permitted to terminate this Agreement with immediate effect upon any breach of this Agreement including any representation or warranty made herein by the Partner without having to provide the Partner with the opportunity to rectify such breach.

6.3. Upon termination of this Agreement for whatever reason: (a) each party shall forthwith return to the other party all property of the other party in its possession or control (including all documentation, creative materials and all Confidential Information), including any copies and derivations thereof. In addition, the Partner shall destroy all of the foregoing (in the case of a software by erasing it from the magnetic media on which it is stored) and certify in writing to eToro that they have been destroyed; (b) the Partner shall immediately cease to market and/or promote the Trading Platform in any manner, shall cease to use any of eToro's Intellectual Property Rights, trade secrets and technical know-how and shall immediately cease displaying any eToro Brands and/or other eToro's material on any website or otherwise; and (c) all rights granted to the Partner hereunder will immediately cease; provided, however, that the Partner shall be entitled to receive the Fees pursuant to terms and conditions of this Agreement, during the three (3) months period immediately following the effective date of termination of this Agreement unless eToro is prohibited from making such payment due to regulatory reasons at its reasonable discretion. Notwithstanding, in the event that the Agreement shall be terminated by eToro due to any breach of the Agreement by the Partner including any representation or warranty made herein, then following such termination the Partner shall not be entitled to receive the Fees and/or any other payment hereunder, including any payment with respect to any Customer for which the Partner was entitled to receive Fees prior to such time and including any payments already accrued in favor of the Partner prior to such time and not yet paid to the Partner.

6.4. In the event that such termination shall be made by eToro due to any breach of this

Agreement by the Partner including any representation or warranty made herein, then such termination shall be without prejudice to any other remedy to which eToro may be entitled under any applicable law and/or this Agreement. In the event of termination or expiration of this Agreement for any reason whatsoever, no sums or other form of compensation shall be due to the Partner from eToro by reason of goodwill, loss of future profits, reimbursed investment, severance, or any concept or in the nature of a termination indemnity. Termination of this Agreement for any cause shall not release either party from any liability which at the time of termination has already accrued to the other party or which thereafter may accrue in respect of any act or omission prior to termination or from any obligation which is expressly stated herein to survive termination. Any provision of this Agreement which should survive and/or may be reasonably interpreted as surviving the termination of the Agreement, including the provisions of sections 2.2, 2.3, 7, 8, 9 and 10 to this Agreement, shall survive the termination of the Agreement.

7. Intellectual Property and Confidentiality

- 7.1. As between eToro and the Partner, the Trading Platform, eToro Brands, the creative materials of eToro, all demographic and other information relating to any Lead and/or Customer (including Lead/Customer Data), and all software, documentation, hardware, equipment, devices, templates, tools, documents, processes, methodologies, know-how, websites, and any additional intellectual or other property used by or on behalf of eToro or otherwise related to the Trading Platform, together with all copyrights, trademarks, patents, trade secrets and any other proprietary rights inherent therein and appurtenant thereto (collectively, the “**eToro’s Property**”), are and shall remain the sole and exclusive property of eToro and eToro shall retain all rights, title and interest in and to eToro’s Property and all Intellectual Property Rights derived therefrom (including all derivations and modifications made thereto). To the extent that the ownership of any of eToro’s Property does not automatically vest in eToro by virtue of this Agreement, or otherwise, the Partner hereby transfers and assigns to eToro, upon the creation thereof, all rights, title and interest the Partner may have in and/or to such eToro’s Property, including the right to sue and recover for past, present and future violations thereof.
- 7.2. Without derogating from the generality of any provision of this Agreement, it is hereby clarified that eToro shall be permitted, both during the term of this Agreement and/or following the termination and/or expiration of the Agreement, to use, any information related to the Leads and/or Customers (including the Leads/Customer Data), and to provide any services to the Lead/Customers, and that the Partner shall not have claim and/or right with respect thereto, other than the right to receive the Fees pursuant to the terms of this Agreement. It is further clarified that the Lead/Customer Data shall be deemed as eToro’s sole and exclusive proprietary information and property and shall be deemed as eToro’s Confidential Information.
- 7.3. Under no circumstances during the Term hereof and thereafter shall the Partner assert or contest any ownership rights in and to the Trading Platform and/or eToro Brands and/or eToro’s Property and/or the Intellectual Property Rights derived therefrom in any action or proceeding of whatever kind or nature, nor shall the Partner take any action that may prejudice or adversely affect eToro’s rights in the Trading Platform and/or eToro Brands

and/or eToro's Property and/or the Intellectual Property Rights therein (including any registration of eToro Brands in the name of the Partner). The Partner may not do anything to render such Intellectual Property Rights generic, weaken its validity or diminish its associated goodwill. Upon termination of this Agreement, all of the rights granted to the Partner hereunder shall terminate and all rights shall revert to eToro without the taking of any action on the part of either party. The Partner shall maintain suitable copyright and trademark notices throughout the Partner Websites (such notices shall also appear on the other referral platforms) that shall conform in all respects to eToro's copyright and trademark requirements. eToro may include some or all of the Partner Trademarks in its own marketing and promotional materials.

7.4. The parties hereby acknowledge and agree that from time to time before, during and after the Term hereof, either party may have access to or become acquainted with the Confidential Information of the other party. Both the Partner and eToro shall use their best efforts to protect each other's Confidential Information from improper disclosure and will not, during or after the Term of this Agreement or thereafter, directly or indirectly, use or disclose any such Confidential Information to any person, firm or corporation for any reason or purpose whatsoever, nor shall either party, for itself or in any representative or other capacity, utilize any such Confidential Information in any manner for its own account or the account of others, except in connection with its performance under this Agreement.

7.5. eToro shall have the right to mention the existence of this Agreement (but not its terms) in its respective marketing materials, public announcements or as a reference for future customers. This right is given on the condition that: (i) any such marketing materials accurately reflect the nature of the business relationship created by this Agreement, and (ii) any such marketing materials do not disclose any of the Partner's Confidential Information pursuant to the terms set forth in this Article 7. Any press releases or public statements regarding this Agreement by the Partner shall require the consent of eToro as to content and release date, which shall not be unreasonably withheld or delayed.

8. Disclaimer of Warranty and Limitation of Liability

8.1. Except as expressly set forth above and to the maximum extent permitted by applicable law, eToro makes no warranty of any kind, express, implied or statutory, regarding the Trading Platform, and all such warranties, including, without limitation, the implied warranties of merchantability and/or fitness for a particular purpose are hereby expressly disclaimed by eToro. The Partner acknowledges that eToro has not represented or warranted that the Trading Platform will be uninterrupted, error free, without delay or without compromise of the security systems and features therein and appurtenant thereto. No representations or warranties of any kind are made by eToro with regards to any services provided by any wireless carrier or authorized distributor.

8.2. Under no circumstances shall eToro (or any of its shareholders, directors, officers, employees, Partners, representatives or licensors) be liable to the Partner for any consequential, incidental or special damages (including damages for business interruption, loss of business information and the like) arising out of or in connection with this Agreement, including with respect to the use or inability to use the Trading Platform, even

if eToro has been advised of the possibility of such damages. To the extent that in a particular circumstance any disclaimer or limitation on damages, losses or liability set forth herein (whether direct, indirect, consequential, incidental or special) is prohibited by applicable law, then, instead of the provisions hereof in such particular circumstance, eToro (and its shareholders, directors, officers, employees, Partners and representatives) shall be entitled to the maximum disclaimers and/or limitations on damages and liability available at law or in equity by such applicable law in such particular circumstance.

8.3. Without derogating from the above, if eToro is found liable (whether under contract, tort (including negligence) or otherwise), the cumulative liability of eToro for all claims whatsoever related to the Trading Platform or otherwise arising out of this Agreement, shall not exceed the payments made to the Partner by eToro under this Agreement during the six (6) months preceding the event that gave rise to the action or claim.

8.4. No action, whether based in contract, strict liability or tort, including any action based on negligence, arising out of the performance of this Agreement, may be brought by the Partner against eToro more than twelve (12) months after such cause of action accrued.

9. Partners Network

9.1. The provisions of this section 9 shall apply solely with respect to any Partner that is an Partner Network.

9.2. The Partner undertakes to provide eToro, in advance, with the contact details of all the entities that shall refer potential traders to the Trading Platform through the Partner Websites and/or other means of referral (the “**Sub-Partners**”) and their respective Partner Websites, in order to enable eToro to audit the compliance of the Sub-Partners with the terms and conditions of this Agreement and/or with the Guidelines eToro. The Partner also undertakes to provide eToro with full details and information with respect to the websites of the Sub-Partners. It is further agreed that any marketing campaign, including the type of the campaign and the Sub-Partner running the campaign, shall be agreed between the Partner and eToro in advance.

9.3. The Partner shall procure and shall be responsible to ensure that all the Sub-Partners shall fully comply with all the provisions of this Partner Program, including without limitation, the Guidelines and that a Sub-Partner may not appoint any further sub-affiliate other than where prior written consent of eToro has been received by the Partner. The Partner shall notify eToro immediately of any circumstances indicating that any marketing activity may be occurring, or have occurred, in breach of this Section 9.3. The Partner further undertakes to enforce upon the Sub-Partners such provisions and/or Guidelines and to cause the Sub- Partners to comply with any instruction that eToro may provide to either of them within not later than 48-hours from eToro’s request. To the extent any such Sub-Partner shall not comply with any such instructions, eToro may, at its sole discretion and in addition to any other remedy available to it, deduct from any amount due to the Partner the respective portion of the Fees payable to the Partner in respect of such breaching Sub-Partner.

9.4. eToro shall not be liable for any payments due to the Sub-Partners and solely the Partner

shall be responsible to pay to the Sub-Partners all the fees and payments due to them in relation to the referral of potential traders to the Trading Platform and/or otherwise in relation to the engagement between the Partner and eToro. The Partner shall indemnify eToro for any claim to be made by the Sub-Partners, if any, to receive payments and/or other benefits from eToro.

10. Miscellaneous

- 10.1. This Agreement constitutes the entire agreement and supersedes all previous communications or agreements, either oral or written, between the parties with respect to the subject matter hereof. The arbitration shall be conducted in Limassol, Cyprus, unless otherwise agreed by the parties. The language of the arbitration shall be English. It is expressly agreed that the arbitration award shall be final and binding upon the parties. Each party acknowledges that in the event of a breach

of this Agreement, a party's remedies at law may be inadequate, and accordingly each party agrees that in the event of a breach of this Agreement by such party the other party shall have the right to injunctive relief or other appropriate remedies before any competent court to restrain such party from breaching this Agreement.

- 10.7. No failure by either party to exercise its rights under this Agreement shall be deemed a waiver of any such rights. No waiver of any breach of this Agreement shall be held to constitute a waiver of any other or subsequent breach.
- 10.8. If any provision of this Agreement is determined to be invalid or unenforceable, the remaining provisions of this Agreement shall not be affected thereby and shall be binding upon the parties hereto, and shall be enforceable, as though said invalid or unenforceable provision were not contained herein.
