The eToro platform operates under a number of entities that comprise the eToro Group. They are governed by different regulators and, therefore, vary in their regulatory requirements.

Accordingly, the following table refers to which risk disclaimer should be presented based on the country where the promotion is taking place. In the case of promotion in multiple countries, please reach out to your affiliate manager.

* We recommend using the "dynamic disclaimer percent tool" when promoting CFDs so that the percentage figure will be updated automatically each quarter.
